Letter thanked
To Mr. Lothar Muller
Speaker
27th june-1st july 2012

Dear Mr.Lothar Muller

Thank you very much for how you presented your topic
„ **Due Dilligence Investigations**“ to the 8th Edition of P.I.International Summer School.
Your profesionalism was evident and appreciated of all participants.
You was a working model for all people who attended.
Was a real pride to have your presence in this edition.
I hope you will accompany me in the future for this wonderful dream: a school for the best
investigators.
We could built wich each edition more and more...
When someone want to learn , everything can become possible.
I wish you a long experience and attend in this school.
The tradition of this school, it obliged us, to elect in every year the best team and the best
lead of them, to become „ honour dean“ of edition.
I hope that in the future you would become one of them.
As founder of this school, in my name and the participants I sent you all my thanks and
gratitude for your distinguished presence.

Maria Bumbaru
Founder of P.I.International Summer School Romania
Honor Dean 1st Edition
